

Math & Science Center at Camp Dellwood

Do you want a break from planning troop meetings? Bring your girls to the Math and Science Center! During the school year the Math & Science Center has programs for all grade levels. Some programs may even provide your troop with the opportunity to earn a recognition or patch while having fun and learning. Troops may be combined to make the minimum girl requirement, so be prepared to meet new people and make new friends!!

How to register...

All Math and Science Events are prepaid events, and registration closes two weeks before the program or earlier if Maximum has been met.

1. On-line via E-council at our council website at www.girlscoutsindiana.org
 - Click the Program heading to the left.
 - Then click on the Register Online link at the bottom.
 - This will take you to the E-council online page.
 - Next click on Program Events and this will take you to a calendar page with all the programs listed.
 - Find the date and time of the program you want to register for and sign up! (You must have a credit card to sign up online.)
2. Or you could fill out the Council Registration Form
 - The form and payment can be mailed to: GSCI 1800 N. Meridian St., Suite 300, Indianapolis, IN 46202
3. Or the Council Registration Form can be fax in with a credit card number to 317.931.3346

Once your registration is processed, you will receive a confirmation form with direction and any other information you need for that program.

(Due to nature of the programs, No younger or older siblings please.)

We cannot do reservations over the phone. However if you have questions please call or e-mail.

Remember.... Registration closes two weeks prior to the event!
