2

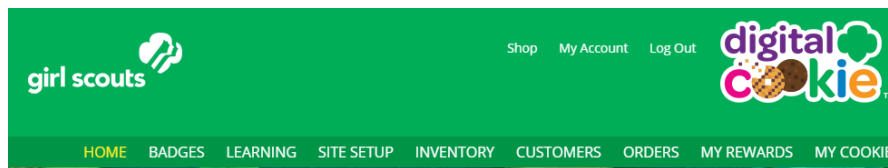

Click the green button "Log In Now" in the email. That will take you to the Digital Order Card website where you can log in. Or, go to the [Digital Cookie website](#) and log in.

3

Click on the “Orders” tab and see what orders are pending your approval.

4

You will see a list of all orders needing approval, including the customer order number, number of boxes in each order, the customer’s address, when the customer placed the order, and the number of days you have to approve it until it reverts to the customer’s second choice option.
