## **Family Camp, Troops Love Camping, Troop Adventure Camp**

**Family camp** (Memorial Day Weekend) is just like your family going camping at a state park for the weekend. You bring your own food and cook at campsite (unless you pay for optional meal plan - then all meals in dining hall), bring own activities, etc. Activity areas such as the pool and archery will have open hours posted and you do those if you want. Our games area (gaga ball pit, tetherball, slackline, ladder ball, giant twister, hula hoops, and many more) and nature center will be open the entire weekend for your use.

**Troops Love Camping** (July 12-14) is our council's troop summer camp. It's overnight/resident camp. Since girls don't attend day camp or resident camp together (they can sign up but not guaranteed to be together), TLC is a chance for them to do it together. Adults from the troop provide supervision and leadership, and get girls from point A to point B following the schedule given at check-in. Staff provides and leads all activities, meals, snacks, etc.

**Troop Adventure Camp** (July 19-21 & 26-28) is just like a weekend camping trip a troop can do anytime of the year, with a slight twist. The pool will be open during posted hours, and all the games and sprinklers and stuff that's out for summer camp (but not normally out the rest of the year) will be out and available. There will be an additional fee for signing up to do zip line, climbing wall, archery, or tomahawk toss. You do not need to provide your own lifeguards or certified facilitators for the add-on program areas, like you'd normally need to do. Troops are responsible for all meals, snacks, crafts, activities (except for those add-ons).

## **Me & My Gal Camp Overnight**

Jun 1-2 – Moms are responsible for their daughter(s) and supervises them. Staff will run evening campfire program, provide breakfast and lunch on Sunday, and run program areas like archery, zipline, pool, crafts, nature, etc.

To register for the camps on this page, go to [www.girlscoutsindiana.org](http://www.girlscoutsindiana.org), click on 'events', and find the program in the calendar.
