Extreme STEM Careers: Under Construction

Grades: 4, 5, 6, 7, 8
Office Code: 2053

Do you like to help fix things around the house? When you pass a construction site are you curious about what is happening? Are you curious about what a career in construction might be like? The student and faculty members of Purdue University's Women In Construction Management and Building Construction Management organizations are ready to help you discover the opportunities! They will lead you on a journey through hands-on labs, such as crane operation, drywall repair, and hand tools, and share with you what careers are available in the field.

Girl Scout Night at Bleeding Heartland Roller Derby

Do you have what it takes to be a roller girl? Find out for yourself at Bloomington's very own “Bleeding Heartland Roller Derby” Girl Scout night! Learn how teams score points, meet the skaters, and experience the thrill of Roller Derby. You’ll be cheering on both the Flatliners A-Team and the Thunderbirds Junior Team (ages 7-17) in this fun-filled, action-packed doubleheader!! (Note – girls will NOT be skating).

The first bout (A-Team) begins at 5:30 pm, followed by a 30-minute half time show, and finishes with the second bout (Junior Team) at approximately 7:15 pm. A more detailed schedule will be available closer to the program date. You are not required to stay for both bouts; you may check in anytime between 5 and 7:30 pm that evening. Food and beverages will be available for purchase throughout the evening. Patches will be available for purchase at the merchandise booth for $2 each (cash and card accepted).
