

AN UPDATE ON COVID-19

Girl Scouts of Central Indiana has studied the Governor's new guidance, and as we have for the past 9 months, we will continue to follow the state guidelines and keep our Girl Scouts' safety top of mind.

We are in the process of evaluating all of our Girl Scout events for girls and adults, and if you are involved in an event that is impacted to the point of cancellation due to Governor Holcomb's November 15 Executive Order for "social events," you will receive notification from the council. This includes the cancelation of this weekend's More Than Cookies at Conner Prairie.

Please frequently visit our Girl Scouts of Central Indiana COVID page to confirm your county's status and to see any last minute announcements from the council about activities.

As a part of every Girl Scout's journey, we encourage each girl to make a gift (\$2 minimum) that provides membership scholarships for girls who may not otherwise be able to participate in Girl Scouts. As a result, girls create positive change and increase engagement in the Girl Scout Leadership Experience.
