

Earn Your STEM Experience Center Patch At Camp Dellwood!

Stop at each of our eight QR code signs for a unique interactive STEM experience to earn our fun patch! You can purchase your patch at the Shop in the Founders Lodge.

Bike Track

Learn about the science of bicycles, then hit the bike track and practice your skills.

Pedal Cars

Explore simple machines and how they work together as you race your own pedal car.

Makerspace

Use the tools in our Makerspace to tinker and create your own project.

Archery

Learn about the physics of archery, including kinetic energy, as you practice shooting arrows.

Butterfly and Sensory Gardens

Step into our garden spaces to identify insects and learn about the local ecosystem.

Astronomy Court

Discover the science of space by learning how to identify celestial objects like constellations and stars.

Fitness Trail

Journey along the fitness trail and look at different forms of nature while exercising.

Old Settlers Cemetery

Investigate history and math as you search for clues about the people who lived here before.
