

Why You Should Promise a Girl Scout You'll Vote

Voting is important – Girl Scouts know that! It's more important than ever right now because a Presidential election is coming up on November 5, 2024.

Did you know that for the 2020 presidential election only 69.3% of eligible voters registered and only 65% of registered voters cast their vote – ranking among the lowest states for voter turnout (in.gov). Now is your chance to let your voice be heard!

Why is your vote important to Girl Scouts? Because your vote can impact shocking statistics such as these:

In Indiana, only **36% of seats of influence** are held by females, while **51%** of the population is female.

Only **27% of US Representatives** and Senators serving Indiana are women.

Although women make up more than half the U.S. workforce, they **hold less than 28% of STEM jobs.**

Women working full-time in Indiana earn only **72% of the income** men do.
