The council employs a site manager that lives onsite at this camp property. The site manager is there to maintain facilities and to aid Girl Scout and outside groups who are using them. If you need assistance during your stay, please contact the site manager listed on the first page. The site manager is on call at camp 24/7 except published holidays.

*Smoking and Vaping:* Smoking and vaping are PROHIBITED on all Girl Scout properties.

In addition to that list, here are a few things to remember:

- Please check on site what to recycle and where to locate the containers.
- Please condense and place all other trash in lined containers provided at each site. Please make sure each container is secure to discourage wildlife. Site managers will instruct you on where to place your trash.

You may request these items when we call you to confirm your reservation the week prior to your arrival at camp. Please remember to be a sister to every Girl Scout and share with others if our camp is hosting other Girl Scout Groups.

*Reservation periods:* Reservations require at least 2 weeks in advance to book. Reservations will not be accepted after that 2-week window. Reservations are open 12 months in advance.

### **Your time at Camp:**

You are responsible for planning all your time while at camp. This is a fantastic opportunity to get the girls involved in planning what activities you will do as a troop at camp. Many troops decide this is a wonderful time to work on badge work, a journey, or a service project. Other troops make the most of the outdoor time to plan hikes and outdoor cooking experiences. How you spend your time at camp is completely up to you.

### **Preparing to Come to Camp:**

If you are a Girl Scout Group, at least one adult troop member must have completed the Camp Prep Training before coming to camp. This training may be done in person or through online gsLearn training. This training will give you the basics you need to ensure property safety while at camp.

Each group must have one adult who is First Aid/CPR certified. Each group is responsible for bringing their own First Aid kit to camp with them.

### **Payment and Cancellation Policy:**

Full payment is due at the time a reservation is made for all rentals except in the case of an all camp reservation. For all camp reservations, 50% of the reservation fee is due at the time of reservation and the remaining 50% is due 30 days prior to your reservation. If full payment is not received 30 days prior to your reservation date, your reservation will be cancelled, and no refund will be issued.

Funds paid towards a reservation may be refunded if you: notify council of a cancellation 30 or more days prior to the reservation start date.

Funds paid towards a reservation may be transferred to another reservation if you: notify council of a cancellation 3 weeks prior to the reservation start date or if weather conditions cause travel to be hazardous or the camp to close.

If you need to cancel a reservation, please call the council as soon as possible. This will allow us to open your reserved spot to another Girl Scout Group. You may call 317-924-6800 during business hours.

If you are cancelling at the last minute and it is after hours, please call the site manager listed on the first page of this packet.

# CAMP GALLAHUE

DISCOVER SOLO ADVENTURES

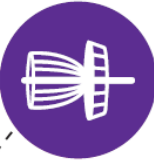

**Fishing**

Select a fishing pole at the Ardath unit and exhale by the lake. In order to preserve our camp's eco-system, practice "catch and release" of anything you hook. Dispose of your used line in a trash receptacle when you are finished.

**Flag Ceremony Practice**

In the valley near the Amphitheater, use the flag and instructions inside the mailbox to practice flag etiquette and how to conduct your own opening and closing ceremony.

**Disc Golf**

In the valley, throw your disc toward the basket taking turns with other players until your disc lands inside. The player with the least throws wins. Return your discs to the storage container when you are finished.

**Hike to the Holligobs**

The Holligobs are tiny, mythical creatures that look over our camp property and protect our ecosystem. Take a hike, build them a home using materials you find on the ground, and let them know you appreciate that they look over our camp.

**Outdoor Games**

Have fun with ladder ball, giant Jenga, and other games located in the game shed in Hillcrest parking lot.

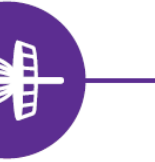

**Hammock Village**

Get a hammock from the site manager, connect it from pole to pole, and enjoy some rest and relaxation. Return your hammock to the storage container as you found it for the next person to use. Tip: look for shapes in the clouds during the day or do a little stargazing at night.

**Outdoor Activities**

The valley is a great place for traditional outdoor games where no supplies are needed. Play a friendly game of freeze tag, run relay races, or get creative and put on your own show in the amphitheater.

**Hammock Village**

Get a hammock from the site manager, connect it from pole to pole, and enjoy some rest and relaxation. Return your hammock to the storage container as you found it for the next person to use. Tip: look for shapes in the clouds during the day or do a little stargazing at night.

**1** If you have trouble finding what you need for an activity, ask the site manager for help.

**2** Please leave the space cleaner than you found it.
